and if water service is made available by said District, agrees to the following conditions:

- Amount Paid:** _____
Paid on _____
Check # _____
- To become a water user of the District, I hereby tender
 \$ **200.00** \$185.00 Security Deposit refundable at the conclusion of service (without interest)
 - To pay for water used at the rate set out in the rate schedule adopted from time to time by the governing body of the District. The minimum rate shall be paid whether water is used or not.
 - Bills will be rendered for payment by the tenth day following the close of the period for which the service was rendered. Service bills not paid by the twentieth day following billing date for which service was rendered, shall be subject to a ten percent (10%) late charge. Failure to pay a bill by the thirtieth day following the close of the period for which service was rendered shall result in the disconnection of the service and such disconnection shall be made without the necessity of notice to the water user. Failure of the District to submit a service bill shall not excuse the water user from his obligation to pay for the water used when the bill is submitted. **A fee of \$60.00 will be charged for reconnection, which will be done only during normal business hours.**
 - The water service supplied by the District shall be for the sole use of the undersigned; the undersigned agrees that he/she will not extend or permit the extension of pipes for the purpose of transferring water from one residence or business establishment to another nor will he/she share, resell, or submeter water to any other consumer. Each meter service shall supply water to only one residence or business establishment.
 - If, after water service is made available, the same is discontinued or disconnected for any purpose, pursuant to the ordinances containing the Waterworks System and the Rules and Regulations of the District, reconnection shall be upon the conditions then set out in said Rules and Regulations.
 - The undersigned agrees that he/she will make no physical connection between any private water system and the water system of the District. It is furthermore understood and agreed that the water user will use **lead free materials** in the construction, expansion, modification or improvement to new or existing plumbing in his water system. Representatives of the District may at any reasonable time come on the premises where the water is being used for the purpose of making inspection to enforce this provision. Violation of this provision shall be grounds for disconnection of service.
